

USEFUL MEDICAL AND HEALTH SITES ALLOPATHIC

I have always had a great interest in medicine, both mainstream and alternative. Modern medical science has done tremendous good in the world. A few of these sites have been recommended, but they all have quite a lot to offer, and to ignore modern medical science is foolish. As with everything in life, we all need to make informed decisions. Alternative medical sites are found on another link on the Links page.

	<p><u>American Cancer Society</u></p>	<p>From gaining dramatic increases in funding for cancer research to ensuring all Americans have access to cancer care, our work is saving lives and leading to new innovative breakthroughs in how to fight this disease.</p>
	<p><u>Centers for Disease Control and Prevention</u></p>	<p>Especially good for travelers: vaccinations, advisories, country-by-country advice, emergency preparedness and health tips, as well as 'disease of the week'.</p>
	<p><u>Drug Information</u></p>	<p>Drug information, pill identifier, drug interactions, etc. Not a substitute for medical advice.</p>
	<p><u>Medical Photos Index</u></p>	<p>Thousands of links to high quality health information and photos. Not for the squeamish.</p>
	<p><u>Definitions of Medical Terms</u></p>	<p>World's largest online database of pharmaceutical and medical abbreviations - over 230,000. Database is updated daily.</p>
	<p><u>Medical Reference for Consumers</u></p>	<p>One of the most widely used comprehensive medical resources for professionals and consumers.</p>
	<p><u>Quit Smoking</u></p>	<p>Resources for quitting smoking.</p>
