TECH SITES AND RESOURCES

These sites are largely for a view into the world of evolving tech. It is important to keep up with this because of the rate at which tech is advancing. From AI, robotics, surveillance, etc., tech can either greatly enhance our lives or impact us negatively.

	<u>Cryptome</u>	Interested in transparency? This is a good site. Information about freedom of expression, privacy, cryptography, dual-use technologies, national security, intelligence, government secrecy.
	<u>DARPA</u>	This is some of the most advanced, amazing and scariest tech you will ever see. They have their fingers in everything.
	<u>Gizmodo</u>	For all the info on the latest gadgets.
	<u>Motherboard</u>	Latest articles and videos on tech advances. Special focus on computers, robotics and internet.
	<u>Softpedia</u>	Catalog of over a million free downloadable games, apps, drivers and software. Mac, Android and Windows.
	<u>The Verge</u>	Tech reviews on the latest releases
	<u>Wired</u>	Exhaustive reporting on tech. I used to get their mag. Wide range of topics. Also some great info. Articles and videos.
